

Teaching Dogs,LLC S.T.A.R. Puppy Class/Test

The AKC S.T.A.R. Puppy is an exciting program designed to get dog owners and their puppies (purebred and mixed) off to a great start. This is an incentive program to reward responsible dog ownership. The word STAR stands for Socialization, Training, Activity and Responsibility.

STAR Puppy classes are taught only by AKC approved STAR Puppy evaluators.

STAR Puppy classes are open to puppies ages two months to twelve months of age.

STAR Puppy classes provide an opportunity for your pup to socialize with other puppies and people in a controlled and safe environment. STAR classes teach you how to best communicate with your puppy. You will receive information on all of your puppy behavior questions. Students will be taught the most effective way to teach practical training skills such as coming when called, walking properly on-leash, sit, down and stay.

Our classes use positive reinforcement training techniques that make learning fun and educational for both puppies and their owners.

If your pup attends all 6 classes and passes the STAR Puppy test your puppy will be eligible to enroll in the AKC STAR Puppy Program. The program entitles you to receive the following perks:

1. AKC STAR Puppy Medal
2. A frameable STAR Puppy certificate
3. Inclusion in the AKC records designating your puppy as a STAR Puppy graduate
4. AKC Puppy Handbook
5. Discount to enroll in AKC Companion Animal Recovery Corporation
6. Monthly AKC newsletter that includes training tips and up-to-date information every dog owner needs to know.

Note: \$10 discount for students who adopted their puppies from either a rescue group or humane society
